

# Policy for Private Boat and Oar Storage at Curtin University Boat Club

## Conditions

The Curtin University Private Boat and Oar Storage Policy was endorsed by the CUBC Committee on the 30<sup>th</sup> of December 2015.

The following conditions must be accepted by the boat owner prior to submission of the application:

- i. The committee has delegated responsibility for allocation of rack space to the Club Captain and Club House Co-ordinator.
- ii. The Club Captain and Club-House Co-ordinator will make decisions consistent with the values and objectives of the club when allocating rack space.
- iii. Any boat stored in the Curtin University Boat Club without formal permission can be removed at the Captain's and Club-House Co-ordinator discretion.
- iv. Only fully financial members can apply for rack space. Where two or more people own a boat, **all** members must be fully financial.
- v. Rowers who make an application to store a private boat or oars are not assured storage.
- vi. Separate applications must be submitted for each boat to be considered for storage. Each application will be assessed separately.
- vii. Any private scull stored at the club must be fully insured prior to storing.
- viii. The club is not responsible for any damage sustained to the boat or oars during storage.
- ix. After a period of 3 years with no communication or contact in relation to a stored boat or oar the Curtin University Boat Club may sell/dispose of the boat. Every effort will be made to contact the individual owner of the boat beforehand.
- x. Application forms must be submitted on an annual basis by 31<sup>st</sup> of March
